

# Assembly Website with BethEL Creations

For \$85/month (\$1000/year)

---

When there are several companies who can create a website, why use BethEL Creations?

- We are an assembly based Ministry
- Not simply a static website but one updated weekly
- Striving to adhere to NT principles
- Directed by assembly distinctives
- We are a faith based organization
- You are supporting a ministry that produces NT media for Assemblies
- Attempt to verify the source of content before publishing

## What to expect?

- **Modern Website**
  - Designed using modern Content Management Systems
  - Responsive Design: Changes the design automatically depending on the device you are viewing it on
  - Backend maintenance and updated plugins
- **Updated every week**
  - Teaching Articles
  - Mission news
  - Events across N. America
  - Sermons
  - Videos
  - Future productions of Bethel Creations
  - Prayer and Praise

*Content will be scanned for NT church principles and will be from sources in the Brethren Assemblies. For ex: CMML, Workers Together, Voices of Christ etc.*
- **Search Engine Optimized Content**

*This will make sure that your assembly website will show up when someone searches for a church in your local area*
- **Local user account**

*A local user account will be created through which you will be able to add local events like special meetings, special speakers, local prayer/praise requests/news etc. If you need assistance in doing this you may also send an email with the details and we will update your website in 48 hrs with no extra cost.*
- **Help is one phone call away**

*Since you are dealing with a small assembly organization and not a million dollar international company, assistance is just one phone call away. We are here to help with promotional content & design for the assemblies.*

The website service also includes hosting. We have a bought a dedicated high-end server to host all the assembly websites and the content.
